**REVISED SUPREME COURT POLICY REGARDING MASKS IN THE  
NATHAN DEAL JUDICIAL CENTER**

The following health protocols have been established for visitors entering the building, in coordination with the Court of Appeals and the State-wide Business Court:

Visitors entering the NDJC or visiting the common areas of the NDJC generally are not required to wear a mask or socially distance, but may choose to wear a mask or socially distance.

In accordance with CDC and DPH guidance, visitors must wear an appropriate mask following quarantine or isolation due to exposure to or infection by COVID-19 or COVID-19 symptoms. An appropriate mask is an N95 or KN95 mask, or a disposable surgical mask covered by a cloth mask, that fits well and is covering the nose and mouth.

Visitors must also wear an appropriate mask and comply with social distancing requirements where indicated by signs in any judicial chambers, court office, or other specific area in the NDJC.

Appropriate masks are available at the security desk and in the Clerk's Office.

**Note:** The NDJC has a state of the art HVAC system. The Georgia Building Authority also continues to clean and frequently disinfect public areas such as elevators, lobbies, and washrooms, and hand sanitizing stations remain available for use throughout the building.

**Questions:** If you have any questions about this policy, please contact the Clerk's Office at (404) 656-3470.
