HISTORY OF THE COUNCIL OF STATE COURT JUDGES

In 1967 a group of state court judges and prosecutors created the *Trial Judges and Solicitors Association of Georgia* to promote the effective and efficient administration of justice brought before their courts. In 1980, the judges and solicitors acknowledged that their roles in the judicial system were ethically and constitutionally separate and distinct and the *State Court Judges of Georgia* was organized. In 1988 the General Assembly enacted O.C.G.A. § 15-7-26 creating *The Council of State Court Judges of Georgia* "...to effectuate the constitutional and statutory responsibilities conferred upon it by law and to further the improvement of the state courts, the quality and expertise of the judges thereof, and the administration of justice."

Council policies are set by the Executive Committee and utilize committees for specific issues concerning strategic planning, educational training, new judge mentoring, specialized support surrounding DUI, Mental Health, Domestic Violence and other accountability courts, information technology, uniform rules, performance and feasibility studies among others. Designated State Court Judges serve on judicial branch agencies such as the Judicial Council, Institute for Continuing Judicial Education, the Board of Court Reporting, Georgia Commission on Interpreters, Accountability Courts Council, Judicial Council Domestic Violence Task Force, Chief Justices Commission on Professionalism and Assistance for Pro Se Litigants among others.

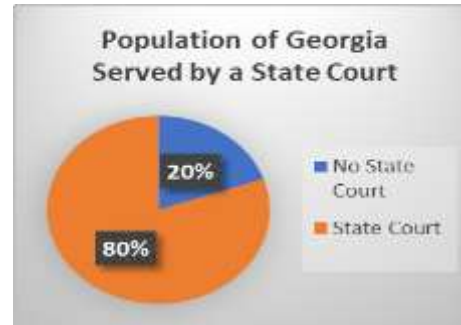

Currently there are 72 State Courts with 141 judges serving the State of Georgia. There are 35 full-time state courts and 37 part-time state courts. A State Court is established by local legislation introduced in the General Assembly. State Court judges are elected to four-year terms in county-wide non-partisan elections. The Governor has the ability to appoint state court judges to fill vacancies.
